Terms of Agreement: International Roaming

By signing this document, I/We, the undersigned, confirm that I/we fully understand and agree to the following conditions regarding International Roaming on the ONSIM platform:

- **Company Authority:** I/We hereby confirm that I/we have the full legal authority to enter into this agreement on behalf of the company named above.
- **Financial Liability:** I/We acknowledge that enabling International Roaming will result in additional charges that are not included in standard plan bundles.
- **Global Access & Billing:** I/We understand that once roaming is unlocked, the device may connect to networks in any international country. If roaming occurs in a destination other than the one specified above, or outside of the agreed dates, all usage will be billed automatically at the prevailing international rate.
- **Rate Verification:** I/We agree to contact ONSIM prior to any travel to verify the specific roaming charges for the destination and to request formal authorization for that region.
- **Temporary Authorization:** I/We acknowledge that roaming is only unlocked for the specific dates mentioned in this request. Any future travel outside of this window will require the submission of a new authorization form.
- **Data Restriction:** I/We understand and agree that **mobile data will be disabled** on the requested extensions for the duration of the roaming period to prevent excessive charges. Access will be limited to voice and SMS services only.
